BRONZE, STEEL AND STONE II

This is Everard Read London's second edition of *Bronze Steel and Stone*— a celebration of contemporary sculpture from South Africa, shown alongside work by artists from Britain, France and Italy. From the very small to the monumental, the works are crafted in seductively smooth or textured bronze, polished marble and fine-grained wood. Landmarks in space, these still, silent objects are also eloquent transmitters of human experience.

BRUCE ARNOTT

Seer, Edition of 5 bronze 47 x 22 x 13 cm RIGHT

BEEZY BAILEY

The 1000 Year Dance Cure III, Edition of 8 bronze 170 x 75 x 23 cm
